

In the Specification:

Please replace the Sequence Listing (pages 127 – 161 in parent application Serial No. 09/988,113) with that attached herewith. The only change thereto is the new Attorney Docket Number for line <130> on the first page and is in compliance with current guidelines.

REMARKS

Enclosed please find a nucleotide and/or amino acid listing in a computer readable and paper forms.

Statements

The content of the paper and computer readable form are the same and include no new matter.

REMARKS

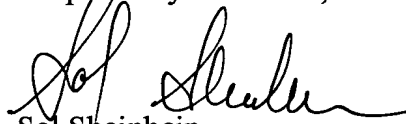

Applicant is filing this application as a Continuation Application of US Application 09/988,113 filed November 19, 2001, which is still pending.

Claims 1 – 31 have been cancelled. New Claims 32 –59 are to be considered in this case.

The Sequence Listing on pages 127 – 161 has been cancelled and substituted therefor by new Sequence Listing on Pages 1 – 47.

An early and favorable action is respectfully requested.

Respectfully submitted,
